

Principal Investigator Eligibility Request Form

If an individual does not qualify for Principal Investigator (PI) status as outlined in Texas A&M University Rule 15.01.01.M5.01 Principal Investigator Eligibility on Sponsored Agreements (<http://rules-saps.tamu.edu/PDFs/15.01.01.M5.01.pdf>), an exception may be requested using this form. This document must be approved prior to the submission of a proposal. Exceptions may be granted for an individual proposal, or for all future proposals (blanket exception).

Employee Name:	Employee Title:
Employee Department:	Employee UIN:
Employee Email:	Employee Phone Number:
Request Type:	Individual Proposal Blanket Exception

Attachments Required: Curriculum Vitae/Resume

Please provide a brief explanation for the request.

The approval of the Department Head and Dean/Director (or equivalent) of the College/Center assures that this individual has the necessary experience, training (animals, human subjects, hazardous agents, etc.) and independence to compete for his/her own sponsored program and to successfully administer the project . Approval also indicates the necessary laboratory space or other resources are available.
